

Certificate DE15/819942150.00

The management system of

HYDAC Technology GmbH

Industriegebiet
D-66280 Sulzbach

has been assessed and certified as meeting the requirements of

ISO 50001:2018

For the following activities

development, production, sales and service for components, units and systems for hydraulics, filtration technology, fluid technology, process filtration and electronics

This certificate is valid from 04.12.2020 until 14.12.2021 and remains valid subject to satisfactory surveillance audits. Recertification audit due a minimum of 60 days before the expiration date.

Issue 7

The audit leading to this certificate commenced on 09.11.2020.
Previous issue certificate validity date was until 19.08.2021.

This is a multi-site certification.
Additional site details are listed on the subsequent page.

HYDAC Technology GmbH

ISO 50001:2018

Issue 7

Additional sites

c/o HYDAC International GmbH
Industriegebiet, D-66280 Sulzbach

Development, production, sales and service for components, units and systems for hydraulics, filtration technology, fluid technology, process filtration and electronics

c/o HYDAC Verwaltung GmbH
Industriegebiet, D-66280 Sulzbach

Administrative and logistic services for the HYDAC group

c/o HYDAC Filtertechnik GmbH
Industriegebiet, D-66280 Sulzbach

Development, production, sales and service of complete filters, filter elements and filter systems for fluid technology as well as service for products of the HYDAC group

c/o HYDAC PTK Produktionstechnik GmbH
Industriegebiet, D-66280 Sulzbach

Single-piece and series production of metallic components

c/o HYDAC Fluidtechnik GmbH
Industriegebiet, D-66280 Sulzbach

Development, production and sales of hydraulic and solenoid valves, manifolds, modular manifold systems, stacking systems, compact power units for stationary and mobile applications for fluid and process technology

c/o HYDROSAAR GmbH
Hirschbachstraße 7, D-66280 Sulzbach

Development, construction and production of hydraulic cylinders, valves and rotary joints for the media oil, water and compressed air; maintenance and service of hydraulic cylinders, units and aggregates

c/o HYDAC Accessories GmbH
Hirschbachstraße 2, D-66125 Saarbrücken-Dudweiler
Zeisigstraße 4, D-33378 Rheda-Wiedenbrück

Development, production and sales of pipe clamps, hose and cable clamps, mounting systems for components, swivel bolt clamping bands, spacer clamps for pipes, elements for shock absorption, ball valves, fluid level gauges, pressure gauges, bell housings, coaxial valves, piston valves, membrane valves, single-station gauge isolators, fluid level indicators, multi-station gauge isolators

HYDAC Technology GmbH

ISO 50001:2018

Issue 7

c/o HYDAC Cooling GmbH

Hirschbachstraße 4, D-66125 Saarbrücken-Dudweiler

Development, production and sales of coolers, cooling and heating systems, cooling lubrication systems and chillers for stationary and mobile applications and components

c/o HYDAC Electronic GmbH

Hauptstraße 27, D-66128 Saarbrücken-Gersweiler

Development, production and sales of solenoids, systems and components for automotive and mobile technology, electromagnetic switch gear and control gear, inductive displacement transducers, transmitters for pressure, volume, mass, force and displacement, electronic pressure and temperature switches, measuring and analysis equipment for fluids

c/o HYDAC Filter Systems GmbH

Industriegebiet, D-66280 Sulzbach

Development, production, sales and service of filter elements, technology for fluid conditioning, fluid condition monitoring and technical cleanliness of components and systems

c/o HYDAC FluidCareCenter GmbH

Industriegebiet, D-66280 Sulzbach

Development, production and sales of application-specific products, tools and software and the therefore needed services with the aim of system proceedings and the optimization of processes, functions, components and machines

c/o HYDAC Process Technology GmbH

Am Wrangelflöz 1, D-66538 Neunkirchen

Development, production and sales of equipment, units, systems, devices and materials for industrial process technology, especially for filter technology and separation technology for fluids

c/o HYDAC Drive Center GmbH

Kiesgräble 13, D-89129 Langenau

Designing, project planning, logistics, sales and services of hydraulic drives

c/o H.I.B Systemtechnik GmbH

Winterbruckenweg 30, D-86316 Friedberg-Derching

Development, production and sales of cooling technology for laser units, machine tools, industrial units and temperature control units

HYDAC Technology GmbH

ISO 50001:2018

Issue 7

c/o Kraeft GmbH Systemtechnik

Riedemannstraße 1, D-27572 Bremerhaven

Development, design and production, installation, sales, service and repair of hydraulic and electrohydraulic components, units and systems

c/o RT-Filtertechnik GmbH

Süßenborner Weg 42, D-99510 Ilmtal-Weinstraße

Development, production and sales of filter elements for the application in filters in the hydraulic, air, fuel, water and cooling technology

c/o RT-Filtertechnik GmbH

Buchholz 4, D-88048 Friedrichshafen

Development, fabrication, sales and assembly of filtration systems, bubble eliminators, filter elements and accessories

c/o HYDAC Systems & Services GmbH

Industriegebiet, D-66280 Sulzbach

Sonnenallee 1, D-66287 Quierschied-Göttelborn

Friedrichsthaler Straße 15, D-66540 Neunkirchen

Development, production and sales of hydraulic and electrohydraulic drive systems including control engineering, provision of services in the commercial and technical area, trainings, seminars, marketing, design, exhibition, construction, assembly and commissioning and maintenance of machines and systems

c/o HYDAC Mobilhydraulik GmbH

Industriegebiet, D-66280 Sulzbach

Development, production and sales of hydraulic and electrohydraulic systems, units, devices and equipment of the fluid technology and the mechanical engineering as well as measurement and testing technology including control and regulation systems particularly for mobile work machines
